

Golf Day

Welcome!

Welcome!

We are excited to welcome you to our first ever golf day.

A day for local businesses, community supporters, and friends, to get together to enjoy golf, networking and fun.

All in support of children, young people and families across Aberdeen.

We're grateful to our wonderful hosts Deeside Golf Club and Hector Emslie, Golf Scotland.

Thank you for joining us today.

What we do

All Life Chances supports local schools, charities and centres working in the city's most in-need areas, by providing access to business skills, networks, and resources.

Our mission is simple: to give children, young people, and their families the opportunities they deserve. By working in partnership with local businesses, we're helping build stronger communities across Aberdeen.

Some of the organisations we currently support:

- Northfield Community Centre
- St Machar Academy
- Printfield Community Project
- Manor Park Primary
- Middlefield Community Project
- Northfield Academy
- Tillydrone Community Campus

Our Sponsors

These are people who often face challenges such as poverty, social isolation and limited access to opportunities. Your sponsorship helps us provide support and services that improve wellbeing, build confidence and create life-changing opportunities for those who need them most.

Supporting All Life Chances

Phil McKenzie, Fowler McKenzie

Through Fowler McKenzie, Phil has consistently shown commitment to supporting Aberdeen, particularly opportunities for children and young people. From grassroots sport and youth development to community initiatives, his support reflects a genuine belief that local businesses have a responsibility to help create opportunities for the next generation.

That is why his support for All Life Chances feels like such a natural fit. He understands that talent and potential exist in every community, but not every child gets the same opportunities. All Life Chances is working to change that — connecting businesses, community organisations and partners to make sure children and young people across Aberdeen can access experiences, activities and opportunities they might otherwise miss.

His support is not simply about putting a company name behind a charity. It is about investing in Aberdeen, investing in its young people and helping give children the opportunities they deserve.
